POLICY

School profile

Simpson Primary School, established in 1972, is located in southwest Victoria about 194 kilometres from Melbourne. The township is located in the centre of the Heytesbury Settlement, one of the most productive dairying areas in Australia. The majority of students live on farms and 80% are bussed to and from school. The school is set in a well maintained site protected by its adjacent school plantation.

We are the little school with a big heart, supporting our students to become active participants in their learning. Every student is valued and nurtured with a focus on growth or the whole child in all aspects of their learning journey. Our students are happy and connected to our school. As they move into secondary schooling they go with passion, skills and strategies to thrive as lifelong learners and contributors to society.

Simpson Primary School is located in the rural community of Simpson. Our 17 hectare site ensures a strong connection to staying active and environmentally aware.

There is a strong sense of community ownership of the school and its services and resources. This helps to promote the home-school partnership. Parents generally take great pride in the school's facilities and its maintenance. The schools buildings have been totally refurbished internally through the Better Schools program to which the School Council also contributed funds. The Early Years Learning Centre promotes the importance of learning and development in the formative years of a child's life through maternal health programs, playgroup and kindergarten.

The school is member of the Great South Coast Network of Schools which provides close links with neighbouring schools and access to a range of services and professional development opportunities.

Classrooms have access to Apple and Windows laptops, with a ratio of 1:1, i-pads and interactive whiteboards.

School Wide Positive Behaviour Program is used to provide a framework for a whole school approach to student wellbeing. Our catch phrase of "At Simpson Primary School we C.A.R.E." Is based on Consideration, Aspiration, Respect and Engagement. ***At Simpson Primary School, we will develop a caring school environment that provides an inclusive, respectful learning experience where every individual engages to be the best version of themselves.***

1. School values, philosophy and vision

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed.
