	Grounds 10.30am	Monday 19 th	Term 2 Begins
	Curriculum 11.00am		

Principal Report

Week four of the term has proven to be a little bumpy for Education in Victoria. I must thank all our students, staff and parents who flipped into on-line learning activities so quickly for the first three days of the week. We had all students undertake at least some of the expected on-line tasks over the three days.

Hand hygiene and staying home if unwell continue to be the front line defence mechanisms for maintaining our school community health. Students are using sanitiser and soap throughout the school day as a precautionary measure and as part of our covid safe plan. Face masks are back for all indoor spaces when not teaching.

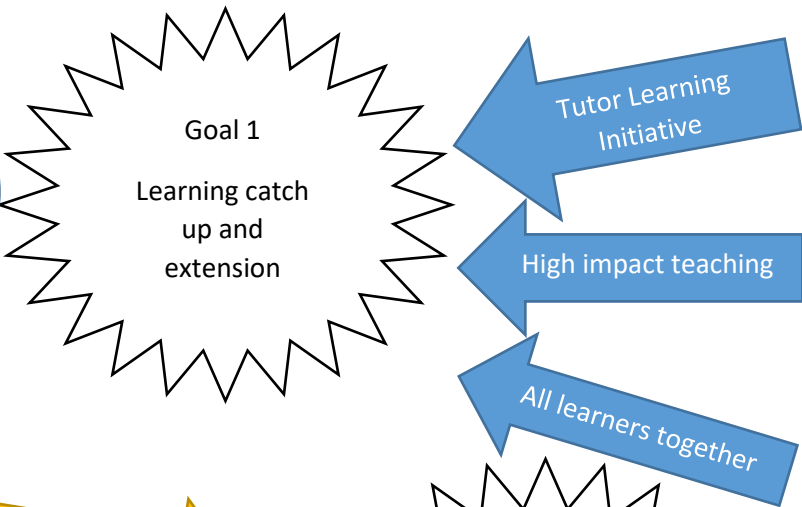

We have a new QR code registering system and are asking visitors to sign in and out to ensure our records are easily traced if need be.

At the close of Nominations for School Council we have 1 Vacant Parent Position available, please let me know if you are interested.

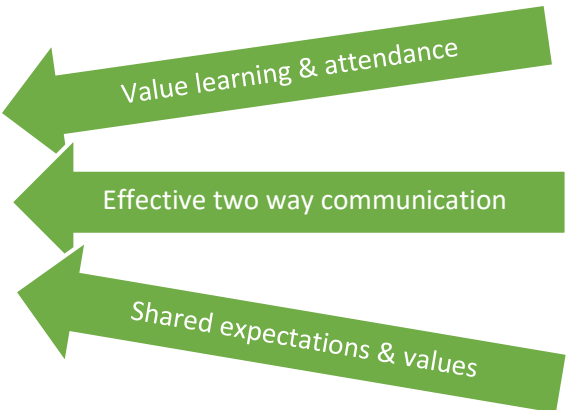

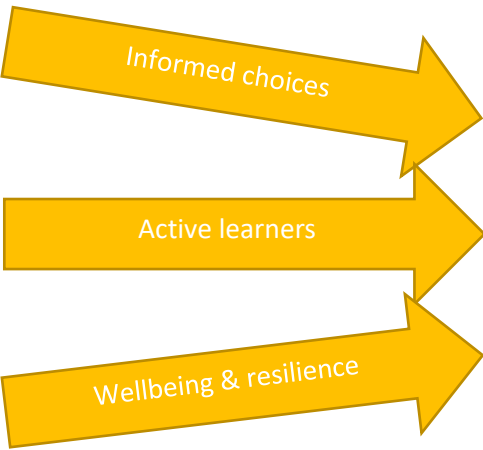

Good news is that we are able to resume swimming this Tuesday.

Our movie launch night "Simpson- From Gums to Grass..." is an outdoor school event so we are still able to proceed at this stage with immediate families only. You will require a mask and we will be asking picnics to be set in family groups to support social distancing needs but as they say in the business..."The show must go on!"

Our 2021 Annual Implementation Plan

It's up to all of us to make the most of every opportunity that comes our way.

With the cancellation of our classroom information session on Monday, due to the circuit breaker lock down, we have decided to focus this week's newsletter to the information that would have been given.

Please stick your classroom flip book somewhere handy for reference throughout the year.

All families are asked to have the SKOOLBAG App loaded and set for notifications on their phones as part of our school communication network
